Dear Aleksandra:

Congratulations on receiving a prestigious Fulbright Scholarship. This is a great honor in its recognition of your skills and achievements, but also a testament to your teachers, schools and communities as well.

As Chairman of the Senate Foreign Relations Committee, I understand the importance of international cooperation to create mutually beneficial progress. In this, you are joining a long line of America's best scholars that have represented our country in building academic bridges abroad. I believe there is an urgent need for such strong and supportive relationships within the international community and I applaud your achievement. Be sure to take great pride in this and I look forward to hearing more of your impressive undertakings in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Biden".
